Attention to all Citizens of Kewaunee County

RE: closing of the Kewaunee Landfill on May 25, 2018

RE: opening of Riverview Transfer & Recycling May 28, 2018

Please be aware that BlueWater Services has been issued a license by the DNR to operate at the current building and property located adjacent to the landfill property currently being used as a transfer site by the county.

We will open to the public on May 28, 2018 at 8 AM. It is our intention to take everything that the county now takes with the exception of regulated or waste requiring profile. These items can be hauled by us but special provisions must be made with our hauling company separate of the Transfer Station.

The following items will be allowed here; residential waste, commercial waste, roofing, new construction, wood, garbage bags, tires of all kinds, computers, TV's, Monitors, fluorescent bulbs, appliances, Microwaves, Freon appliances, batteries, waste oil, oil filters, clean metal

We also will buy loads of clean scrap.

Please be aware since the nearest landfill is over a hundred-mile trip that there will be an increase in the fees yet to be determined. Some fees may stay the same.

Hours of operation for Residential use are as follows; 8 AM – 3 PM weekdays, closed Thursdays. Open Saturdays 8 AM to NOON - May 1 to September 30.

The phone here at the transfer will remain the same as now. 920-388-2223.

For information about setting up an account for over 50 ton a year contact BlueWater Services Ltd at 920-388-3553.

Our website and links will be up soon so please watch for this via bluwaterservices.org it will direct you to the website.

We are a locally owned company, we pay taxes here, we buy locally, and we employ local people.
